

Privacy Policy

In general, you can visit us on the Internet without telling us who you are or giving us personal information. There are times when we may need information from you, for instance: to process an order, to correspond, to provide a subscription or in connection with a job application. We may supplement this information to complete a transaction or to provide a better service.

How your information is used:

The information Datamars collects to understand your needs and interests helps us deliver the highest level of service for you. For example, we may use your information to

- Communicate with you about products and services;
- Provide service and support;
- Update you on new services and benefits.

When registering or otherwise providing required personal information, if you do not feel comfortable sharing information via our website, feel free to contact us via regular mail or telephone to submit the same information.
